## LOCAL RULES

### Out of Bounds

Wall / Fence / Temporary Hoarding and line of white stakes/line bounding the course will be deemed out of bounds.

### Immovable Obstructions

Sprinkler heads and irrigation control boxes are classed as immovable obstructions.

Newly planted trees/shrubs are defined by tree wells and full relief must be taken.

All native areas/desert areas will be played as an integral part of the course. Play the ball as it lies.

If the lip of the grass interferes with the lie of a ball or the area of intended swing on the sand waste area, the player may, without penalty, lift and drop the ball within one club-length of the point nearest to where the ball lay, that is no nearer the hole and which avoids interference with the lip. The ball must be dropped on the sand.

Penalty for breach of Local Rule: Match play - Loss of Hole; Stroke play - Two Strokes.

### Moveable obstructions

Stones in Bunkers/Native areas are classed as moveable obstructions.
